

**SheVANA H&I SUBCOMMITTEE**  
**INVENTORY QUESTIONNAIRE**

*Draft as of 09/03/20*

Just as we take a personal inventory as part of our recovery process, so to do service bodies, so that they can gauge and improve their effectiveness. As with a personal inventory, this one will consider the committee's assets and defects. An inventory is only as effective as we are, collectively, in being thorough and honest in answering these questions.
